A warm welcome back to all. Staff and pupils have experienced a seamless transition into the new term and pupil's attitudes to learning is excellent. We would very much appreciate your support in ensuring all pupils bring their water bottle, P.E. kit and reading book on their allocated days and dressed appropriately for the weather and outdoor learning daily. Please could medical forms be returned as soon as possible? Many thanks.

Universal Provision

All pupils' are now entitled to universal provision school meals, there is no cost so I would encourage all families to access this entitlement. Dinner menus are available on our school website. Pupils' are required to order their chosen lunch in class each day. The school canteen provides healthy balanced meals with a choice of a hot or cold option each day for all to enjoy.

Food & Fun 2023

Our first Welsh Government 'Food & Fun' was launched in July & August. It was a huge success, providing pupils with an abundance of opportunities and experiences. We are very much hoping to host the Summer initiative in 2024 if funding is available. Many thanks to staff for working an extra 12 days, to parents who attended the family engagement sessions and to our pupils for their excellent manners, behaviour and positive attitude each day.

After School Clubs

These will commence week beginning September 18th due to staff training. Consent forms will come home next week and places will be allocated on a first come, first serve basis.

Thank you for your support

Mrs Fowler.
