

Glanhowy Primary

Dukestown Road, Tredegar, Gwent. NP22 4QD

T: 01495 722312

Head Teacher: Mrs. C.R.Fowler BA Hons, MA Ed, NPQH

Attendance and lateness remains a school priority in 2023-24. Good attendance and punctuality maximises learning and enhances pupil progress. Gaps in learning impact on knowledge, skills and attitudes. We work closely with the Education Welfare Service and families in order to improve every child's life chances, your support is very much appreciated.

Educational Visits and Experiences

We are very aware of the cost of living crisis and the impact it is having on families and communities. We are therefore giving as much notice as possible when arranging educational visits and experiences to enhance our curriculum. All consents and payments are made through parent pay. If we can help or support in anyway, please let us know.

Class Names

As you are aware, each of our classes is named a Welsh mountain this year, this is better aligned with the Curriculum for Wales where the focus is on pupil progress and not pupil age. All pupil's have impressed us with how quickly they have adapted to this approach. Your child's class teacher can clarify their class name if required.

Language Legends

This term we are launching 'Language Legends' which replaces 'Ciw Cymraeg'. Our International Languages Curriculum promotes Welsh, Spanish, French and many other languages that link to specific topics and themes.

Thank you for your support

Mrs Fowler.

Wednesday 4th October
