Head Teacher: Mrs. C.R.Fowler BA Hons, MA Ed, NPQH

Dear all, our school's COVID 19 procedures are clear on our schools website. This will minimise risk and increase safety for all. Social distancing in the school grounds is essential. Only authorised visitors are to enter our school building at this time i.e. contractors and social workers. Thank you for your patience in advance.

Attendance

All pupils are required to attend school **UNLESS a pupil has COVID symptoms and is being tested, lives in a household where a person has symptoms and is being tested, there is a positive test within the household or your child has been contacted by T&T.** Please contact the school office daily to update us on your child's absence, failure to do so will result in an unauthorised absence. The EWO will continue to conduct welfare checks at the schools request.

INSET Days

The school's remaining INSET days are planned as follows:

May 27th & 28th

June 28th, 29th & 30th

The reason they are planned consecutively is for essential whole school training to take place in terms of safeguarding, this has not been possible to complete due to specialist trainers not being available during the school closure period.

Healthy Schools

Please make every effort to provide your child with a healthy packed lunch and provide a water bottle only each day, thank you in advance.

Mrs Fowler.
