### Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

### Summer Term Weather

Due to the improved weather forecast this week, please make sure sun cream is applied before school and a hat and water bottle is brought each day. Pupils learning in the outdoor environment will increase and we want to ensure all pupils are safe and protected from the sun.

### Educational Visits

There are a number of educational visits taking place this term, please ensure deadlines for payment are met in order to avoid disappointment. These deadlines must be met so that tickets and buses can be sourced at the best value to keep costs down, your support is appreciated.

### Attendance

I am mindful that this is an exceptionally short half term, please make sure your child attends school everyday and on time where possible in order to maximise learning opportunities so that every child makes at least good progress. We were delighted that two classes were awarded a Dominoes delivery last half term for excellent attendance.

Thank you for your continued support

Mrs Phillips
