Online safety support for parents and carers:

Hwb provides free up to date support, guidance and information to families about the most popular social media and gaming apps children and young people are using today. The Welsh Government site includes overviews, age ratings and highlights the risks each app poses to young people and gives detailed instructions on how to enable parental controls and safety settings.

Welcome back!

We have had a wonderful first week back to school at Glanhowy. Pupils are looking very smart in their school uniform, this really does impact on pupil wellbeing. Attendance has also been very positive and whole school attitudes to learning exceptional. Staff are committed to making a difference every single day, hence ensuring 'all pupils make good progress' (Estyn, 2024).

Home-School Learning

Very shortly, your child will receive a homework menu on Google Classroom and passwords to access as much virtual learning as possible at home. Our extensive pupil offer includes **NESSY, Spelling Shed, Sum Dog, Discovery Education, Bug Club Reading and Purple Mash**. We monitor pupil access to virtual learning to ensure the school demonstrates value for money due to the substantial cost of our pupil learning offer. Please utilise this opportunity so that every child has the very best start in life.

Thank you for your continued support

Mrs Phillips.
