

The Working from Home Menu

Below you will see a menu of activities for working at home. Pupils should choose a variety of activities from this list. It is very important that pupils maintain the amount of time they spend reading while schools are closed. Pupils will also have been provided with a number of passwords for online programmes which we use in school. Pupils are welcome to complete the online tasks instead of or as well as these tasks below.

	Task	Completed	Comment
Mathematics tasks	Revise your timestables every day! If you know your multiplication facts for every table up to 10x10 - you'll be a Maths Genius!		
	Can you find percentages of amounts? Write down a list of 3 digit numbers. Can you find 10%? 20%? 50%? 75% (TO FIND 10% - YOU DIVIDE BY 10)		
	Log in to Mathletics. Complete any tasks that you haven't finished.		
	Multiplication Grids Can you multiply 3 digit numbers by 1 digit numbers? (327 x 3) Challenge yourself - can you multiply 3 digit numbers by 2 digit numbers? (621x21)		
	Division Can you divide using the chocolate bar or bus stop method. Set yourself 10 division questions (320 divided by 4) Did you get them right? Check using a calculator.		
Literacy Tasks	Write a description of your favourite place. Remember to check that you are using lots of high-level punctuation, ambitious vocabulary and descriptive techniques.		
	Write an autobiography of your favourite celebrity. You'll have to do lots of research about their life. Remember it will need to be written in chronological order.		
	Practise using speech marks to punctuate dialogue. Write the beginning/opening of a story. Can you include speech? Check that you've used all of the speech mark rules.		

	Read your favourite book. Write a review of the book - what is the plot? Who are the main characters? What are the themes of the story?		
	Spelling Shed - make sure that you are accessing Stage 3/4 or Stage 5/6. These are appropriate for Year 5 and 6.		
	Read and follow a recipe to make something with a grown up. Create/write a recipe for your favourite meal.		
Topic Tasks Junk 2 Funk	Can you find as many items as possible that are recyclable? Find out what they could be re-used as.		
	Make a robot out of recyclable materials.		
	How does Tredegar contribute to helping the planet? Write a report showing how we are helping to prevent global warming. Is there anything else that we can do to help further?		
	Which country produces the most emissions? Is it fair to say that they are to blame? Can you find any research to back up your answer?		
	Create a Newspaper report about a real-life scenario about extreme weathers. e.g. Australian Bush Fires, Tsunami etc.		
	Write a diary entry as a plastic bottle. Research to find out what happens to our bottles. How are they made? How are they recycled? How are they re-used? Include this in your diary entry.		
	Create a PowerPoint presentation/information leaflet about deforestation. Make sure it's informative, eye catching and interesting!		
	Go for a walk. Take a rubbish bag with you. Pick up any litter and conduct a litter survey. What was the most popular item that you found?		
	Play a board game with your family.		
	Design a new recycling bin that could be used in class. Think about its design, structure, how will it make it easier to recycle. Create an advert and poster for your product? Create a model if you can 😊
